EXODUS 25:8

And let them make
Me a sanctuary,
that I may dwell
among them.

IMMANUEL
עִמָּנוּאֵל
GOD WITH US

Dear brothers and sisters of the Tranquility SDA Church,

Grace and peace to you from God our Father and Lord Jesus Christ! I received word from Brother Willie this morning, and he told me he feels better than yesterday. His recovery seems slow but sure. Let us continue to pray for him.

Last night, a terrible tornado swept through southern states destroying many homes, taking lives, and leaving over a million people without power. Where is God in the midst of this suffering? Some may ask.

Last week was spring break for my children. They wanted to do something special, so we setup our tent in the living room. They were so excited to sleep there. Although I was not too thrilled about joining them, but they asked and I obliged.

In the old testament, we find God asking Moses to build Him a tabernacle so that He may dwell with them. He was exposed to the infirmities, bacteria, virus, and everything that makes humans fragile. God has setup his tent to dwell among us. May the "God with us" deliver us through these uncertain days.

Blessings,
Pastor Stephen Lee
