LUKE 21:26

Men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken

LIGHT SHINES BRIGHTER IN THE DARKNESS

Dear brothers and sisters of the Tranquility SDA Church,

Grace and peace to you from God our Father and Lord Jesus Christ! Global deaths from COVID-19 has surpassed 30,000 with more than 10,000 of those in Italy. Currently, the US has the most confirmed cases worldwide. There is no sign of stopping or even slowing down.

Scripture shares with us that in the last days, "men's hearts (will be) failing them from fear. We seem to be going through this dark tunnel with fear of if or when the virus may affect us; the future seems bleak, and the financial meltdown makes everyone's heart tremble. God has called us for such a time as this for us to shine our light to this dark world.

Pollux is a very bright star, about 30 times brighter than our sun even though it is located 33 light-years away from the earth. It is slowly burning itself up, giving off this bright light.

May we lose ourselves that we may burn brighter and shine a light in this dark world. As you continue to be kind and be helpful when others aren't, people may wonder why you're so different. That is when we can point them to Christ

Blessings,
Pastor Stephen Lee
